Lexington, Kentucky 40503

Why does The Arboretum need you to become a Friend of The Arboretum?

The Friends of The Arboretum is a non-profit organization, founded in 1992, for the purpose of providing support to The Arboretum. The mission of the Friends is to stimulate interest in The Arboretum, to encourage participation in its educational and recreational aspects and to raise funds to assist in its development.

Funds received from the members of the Friends of The Arboretum provide day-to-day operating funds to maintain the gardens, horticulture collections, educational and cultural activities.

Through your support, The Arboretum will have an opportunity to continue to grow and meet the needs and interests of visitors of various ages.

Each year we have over 100,000 visitors from throughout the U.S. as well as many other countries. In addition, thousands individuals participate in scheduled tours and events.

Yes, I want to become a Friend of The Arboretum:
