7. **Low Ropes Challenge Course**
- Our Low Ropes Challenge Course promotes team cohesion. Groups are given a task to accomplish that at first seem difficult or impossible. The group must problem solve, communicate, and work together in order to achieve success. The experience is then discussed with a trained facilitator and connections are made to work place/real world environments. All activities on a low ropes challenge course are on the ground or no more than two feet above the ground.
 - Research has found that when people work together outside of their comfort zone to accomplish a goal, a strong environment for positive change does occur.
 - Low ropes challenge courses are designed for groups of all ages and types. The key factor is a group of people wishing to participate. Usually, groups of 8-12 are most desirable.
 - The Course Fee is \$8.00 per participant plus an hourly rate of \$10 - \$20 for each facilitator. The facilitator is contracted and will determine the hourly fee to be charged. The responsible person for the group will negotiate this hourly rate and the number of facilitators with the facilitator. Example: For 4 hours of time on the course, each participant will pay \$8 and the facilitator will receive between \$40 and \$80 for his/her services.
 - The Course Fee of \$ 8.00 covers course rental and equipment usage. Each facilitator determines the hourly charge for services.
 - Ratios: One facilitator is needed for every 8-12 people. There must be at least 5 people in the group. We can provide the names of facilitators that may be available and you negotiate directly with him/her.
8. **High Ropes Challenge Course**
- **ELEMENTS INCLUDE:** Three pole climbing tower with: climbing wall and vertical playpen, Zip Line off the climbing tower, Multi-vine Traverse, Trouble Trolley, Islands Hopping, Oobie Doobie, and Giant Swing
 - The concept of “Challenge by choice” allows participants to set individual goals and measures of success. Finding success outside of one’s comfort zone encourages individuals to push for success in other areas of their personal and professional lives. Trained facilitators will assist participants in connecting challenge course activities to real world applications. Each participant must sign the High Ropes Course Participation Agreement before being allowed on the course.
 - The Course Fee Rate is \$ 15.00 per participant plus an hourly rate of \$10 - \$20 for each facilitator* (see below).

- Ratios: There should be one facilitator for every 10 participants. If the entire course is in use, at least two facilitators are needed regardless of the number of participants.

9. *This section applies to both Low and High Ropes*

- Groups may choose to provide their own facilitator(s). Documentation of the facilitator(s) training certification from a professional organization must be provided to and approved by the State 4-H Office prior to scheduled activity dates.
- The Course Fee covers course rental and equipment usage. Each facilitator determines the hourly charge for their services.
- The facilitator is contracted and will determine the hourly fee to be charged. The responsible person for the group will negotiate this hourly rate with the facilitator.
Example: For 4 hours of time on the course, the camp will receive the Course Fee for each participant and the facilitator will receive between \$40 and \$80 for his/her services.
