What’s going on at the Center---

You could say that the Kentucky Leadership Center is getting an extreme makeover this month. We are having new windows installed in 34 of our sleeping rooms. We have just completed re-carpeting our hallways and in the process of painting the sleeping rooms. We hope you will enjoy our new look during your next visit.

This month, we have enjoyed providing hospitality to---

Kentucky 4-H State Teen Council
Happy Hearts Quilters
Natural Helpers from Warren County
Centre College
New Agents Core Training
State 4-H Shooting Sports

See the back page for photos taken during these groups stay at the Center!

Volunteer Opportunities

We are looking for a group of volunteers that can help us do some landscaping here at the Center. If you have a green thumb and some free time, we could use your help. We hope to plant flowers, roses and other gardens here at the center. If you are interested, please contact us at 270-866-4215.
