### **What’s going on at the Center---**

We’re busy at the Center getting ready for spring. We heard that the groundhog did not see it’s shadow so we are expecting an early spring. We have planted over 100 tulip and iris bulbs and can’t wait to see them bloom. We are painting the sleeping rooms and getting new carpet in the hallways. We are also busy getting rooms ready for the “Adopt a Room” campaign which you can read more about in another section of this newsletter.

Look for us on KET during February on Cable Television. We will be on Extension Today which can be seen Monday-Friday at 7:30 pm on cable channel 19. You can see interviews with the Jabez Quilters, a group of over 100 quilters from across the state that met for their seventh straight year here at Jabez.

### **This month, we have enjoyed providing hospitality to---**

University of Kentucky Forestry Department  
Central Kentucky Creative Artists  
YMCA of Kentucky  
Sierra Club  
Jabez Quilters

See back page for photos taken during these groups stay at the Center!

# **Adopt a Room at the Center**

## **We almost have one hallway adopted-----**

We have many more rooms that are in the process of getting adopted and will update you in next month's newsletter.

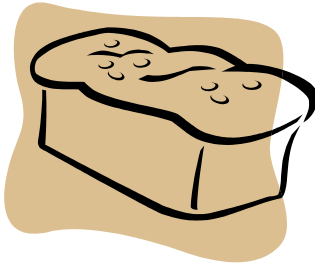

If you are interested in adopting a room, please contact the Center at (270)866-4215. We do encourage your prompt response since these will be on a first come basis.

We really appreciate your past patronage and hope you will continue your support of the Kentucky Leadership Center.

If your budget does not allow adopting a room, but you would like to donate funds to help update the Center, please contact us at 270-866-4215 for more information.

## **Volunteer Opportunities**

We are looking for a group of volunteers that can help us do some landscaping here at the Center. If you have a green thumb and some free time, we could use your help. We hope to plant flowers, roses and other gardens here at the center. If you are interested, please contact us at 270-866-4215.
