

KENTUCKY SHOOTING SPORTS EDUCATION 2009 RULES

1. All 4-H members participating in the Kentucky State 4-H Shooting Sports Education contest must be enrolled and active in their county Shooting Sports Education Program by July 1st in the year of the contest. Each county must have a complete county Shooting Sports Education member roster received in the State Office by 4:30 p.m. July 1st of the current year. Anyone participating in a state level competition must have passed their 9th birthday as of January 1 of the current year. All age categories are based on the participants' age as of January 1st of current year. Age groups will be 9-11, 12-14 and 15-18.
2. All county participants entering the state sponsored 4-H Shooting Sports Education contest will be entered as individuals in all categories. **All individuals will compete against each other for event age level placing.** Counties will be allowed only one team per age category per discipline. (County teams will be determined by the highest four scoring shooters from that county in each age category in which a county has four or more contestants for all events except trap. Trap teams will be the five highest scoring shooters from that county in each age category in which a county has five or more contestants.) A county Black Powder Flintlock Rifle or Black Powder Pistol Team shall consist of the top three scoring members from each age group.
3. A member may not have participated in ROTC rifle or trap programs or in military or trap programs such as Army Reserve, National Guard, etc., and compete in that respective class in competitive 4-H events. Any Junior ROTC Member is eligible to participate.
4. 4-H Shooting Sports Education members may participate in open youth shoots not sponsored by 4-H.
5. An individual may participate in no more than three events on Saturday and **one division on Sunday.**
6. County Registration packets must be received in the State 4-H Office by 4:30 PM August 1, of the current year. **Substitutions or changes of Individual Participants must be made by 4:30 PM EDT September 1st. No additions are permitted. No changes or substitutions will be permitted the morning of the shoot.** The lead/agent responsible for county check-in the day of the contest must do so by 9:00 AM (local time) the day of the contest and shall notify registration of all no-shows from their county at that time.
7. For every **5 registered participants**, or a portion thereof, one volunteer will be provided by counties participating in the state shoot each day. **The list of names of volunteers is due in the state office on August 15th. List of volunteers must contain the following information: Volunteer name, contact information (phone or email of individual), certification(if any), day attending state contest. Substitutes for volunteers can be made at any time. Volunteers not attending and fulfilling their assigned position at the state contest and causes their county to fall below volunteer-child ratio will result in that county being disqualified for the coming year.**
8. All participants must check in with the Range Registrar at all ranges, except Target .22 Rifle and Trap, no later than 12:00 Noon. **Target .22 Rifle will be the first relays of the day beginning at 8:00 a.m. and Trap has pre-assigned squads.** Pistol, Air Rifle and BB Rifle Ranges will close at 2:00 p.m. (local time).
9. **Any participant present at the range when their name is called to report to the shooting line that does not report to the line with their equipment prepared to shoot will be disqualified from that event.**
10. An official contest identification badge must be worn by all participants at all times while on the grounds, and must be visible to contest officials.
11. Participants in a 4-H Shooting Sports Education contest, the following dress code applies:
 - All shirts must have sleeves no more than three inches above the elbow. Shirts must cover midribs.
 - No clothing with vulgar or suggestive language, tobacco or alcohol, racist or sexist comments

allowed.

–No short-shorts. Shorts must be at least mid-thigh. Skirts must be ankle length.

–Closed toe shoes must be worn.

Participants and any other attending 4-H-er's are continually required to promote a positive image of the 4-H program by adhering to this dress code while in attendance at any shooting sports education contest. Multiple or egregious offenses by a county could have them disqualified from the contest. All attendees/spectators will dress conservatively reminded that this is a family activity and that at modesty and decency are required. No vulgar or promiscuous clothing will be tolerated. Alcoholic beverages are prohibited at ALL contests and on the grounds. Profanity, racism and sexist remarks will not be tolerated. Attendees/spectators will be asked to leave the contest or change clothing if they are not compliant with these requirements.

12. No tobacco or alcohol products shall be used by any participant in a 4-H Shooting Sports Education contest.
13. **Poor conduct by a participant, spectator or volunteer at the contest will be grounds for immediate disqualification and/or ejection by the range officer, the Contest Director, and the 4-H State Shooting Sports Education Program Committee. This includes, but is not limited to, poor sportsmanship, inappropriate language, and confrontations with any 4-H Shooting Sports Education Contest Staff or other participants.**
14. **The spirit of 4-H sportsmanship as well as safe, appropriate behavior is expected of all participants, coaches, and spectators at 4-H Shooting Sports Education contests at all times.**
15. **Participants and coaches are responsible for understanding the procedures used in each event and complying with the rules and standards of the event. Learning the rules of the events is part of the educational process for shooting sports participants; the intent is to aid shooters rather than entrap them. Any participant showing an extreme lack of understanding of rules or procedures will be considered a safety violation and could be asked to leave the line. Ignorance of the rules is not a valid excuse.**
16. All range will be set-up in the interest of safety and practicality.
17. **The range officers and/or State 4-H Shooting Sports Program Committee reserve the right to make exceptions to the rules when necessary for safety reasons.**
18. There will not be any open practicing before or after the contest.
19. Sight shots will not be permitted on line (see event rules for details).
20. All firearms or bows brought to the contest shall be carried to the range and away from the range, to or from automobiles or other secure areas, in a case, blanket case, box or other object that completely encases the firearm or bow. Arrows must be carried in a quiver or other suitable container. Holsters are not acceptable cases.
21. All firearms or bow cases are to remain closed until designated to be opened by a Range Officer.
22. All firearms will be unloaded at all times with action open until the command to "LOAD" is given by the Range Officer. **The use of Clear Barrel Indicators (CBIs) made of fluorescent orange (recommended color) or a similar bright colored material and long enough to visibly protrude from both the breech and muzzle when inserted in the bores is mandatory in all .177 and .22 caliber rifles and pistols where possible. CBIs shall be inserted before a rifle or pistol is brought to the range or when it is removed from a gun case on the range under the supervision of the range officer. CBIs may only be removed during preparation, firing and change-over periods. When a stage of fire is completed, a CBI must be inserted and the firearm must be grounded. CBIs must remain inserted after cleared firearms are removed from the firing line and as long as the firearm remains on the range. CBIs may be removed when firearms are replaced in gun cases.**
23. Firearm ammunition must be provided by the participant. All participants must use ammunition designated under event rules for your specific event. Use of ammunition not so designated will result in disqualification.

Each archer will bring seven arrows to the shooting line. If their quiver will not hold seven arrows, then additional arrows will be placed behind them at the line. Arrows are to be kept in quiver until the command is given to nock an arrow.

Counties are responsible for each participant having necessary equipment at their assigned shooting time.

24. All participants in firearm events must wear ear and eye protection--.177 Rifle and BB participants' eye protection only. Participants will not be permitted to shoot if safety protection is not being used correctly. **Only sound reducing devices may be used on the firing points and the area immediately behind the firing points during preparation and competition periods. Radios, tape recorders, Walkmans, iPods, cellular phones or other types of sound producing or communications systems, including timers that beep or make audible sounds may not be used in these areas during preparation and competition periods. Sound producing and communications systems may be used in the spectator and ready areas if they do not disturb participants on the line.**
25. Shooting jackets, mitts and gloves can be used, except in .22 Sport Rifle and Air Sport Rifle (see event rules for .22 Sport Rifle and Air Sport Rifle).
26. The equipment entered in a competitive event must meet the specifications for the equipment in that event. (for example: .22 caliber pistol may not be use in a .22 Rifle event)
27. Horseplay will not be tolerated and may result in disqualification for the day.
28. The Range Officer shall have the authority to remove any participant, firearm or bow from the firing line for any unsafe equipment, practices, rule violations, unsportsmanlike conduct or using bad or foul language. Ignorance of the state rules is not an acceptable excuse.
29. **Because all of our range officers and target scorers are volunteers (many with their own county programs), courtesy and patience on the part of contestants, coaches and parents are essential. Unsportsmanlike behavior will not be tolerated and will result in elimination of participants.**
30. Any participant disqualified for a safety violation will be disqualified from all events that day.
31. A spotting device may not be used by anyone to coach a participant while on the firing line.
32. **Spectator's cell phones must be on vibrate or low volume, and should not be heard by competitors, range officers, or tournament staff on or near the firing line during competition. Car alarms should be turned off if possible.**
33. No hand-held radio communications will be allowed on state shoot grounds except for State Contest officials. Anyone caught will cause their entire county to be disqualified for that day.
34. Assistance is permitted on the firing line only in the following events: BB. Air Rifle and Air Pistol. Coaching is not permitted in any event. Assistance is permitted only in the 9-11 age group or when a participant has a physical condition making it necessary. In all other events no coach, leader, spotter or other person may accompany or assist the participant while the match is in progress. In Black Powder an individual range officer will be assigned to each shooting point.
35. All decisions on turned in targets or score sheets by the score keeper, range officer and referee are final. Printed labels or legible writing must be completely filled out and placed on target backs of targets will be disqualified. Information on the label must include name, age group, county, registration number, position and discipline. Disciplines are: BB Rifle, Air Sport Rifle, Air Target Rifle, .22 Sport Rifle, .22 Target Rifle, 22 Pistol, Air Pistol, Black Powder Percussion rifle, Black Powder Flintlock Rifle, Black Powder Pistol.
36. Any 4-H Shooting Sports Education Contest regulation will supercede all National Association Rules, but where no 4-H rule has been established by the State Committee, National Rules of the respective association shooting sport will apply.
 - A) NRA small bore rules shall govern rifle and pistol matches
 - B) N.F.A.A. rules shall govern the archery matches
 - C) Amateur Trap Association Rules shall govern the trap matches

- D) NRA BB rules shall govern the BB matches
- E) National Muzzle Loading Association Rules shall govern black powder matches.
- 37. All tie scores shall be broken by governing rules of all National Associations, i.e. **NRA, N.F.A.A., except trap. Trap ties will be broken as outlined by rule (P) under the trap section of the Kentucky Shooting Sports Education rules.**
- 38. In case of an individual/team shoot-off, all original members must be present and participate in the shoot-off or they will forfeit their placing.
- 39. Any appeals regarding a score must be done during the challenge period. Start time will be posted the day of the contest and will end at 5:30 p.m. if all scores have been entered. Any appeals of cross fires have to be done before leaving the line. Appeals are to be made to the scorekeeper and range officer. Only a coach or their representative may review the target after scoring. For each target challenged the county will be charged a \$1.00 non-refundable fee. The proceeds will benefit Shooting Sports Education Camp.
- 40. **Targets and scorecards will not be posted and will not be available. Scores will be posted to the extent possible.**
- 41. After the challenge period concludes the targets will be stored for one year for future reference.
- 42. Protests regarding violations of any written state rule must be made to a range officer or any range assistant as quickly as possible following the violation and prior to the completion of that round of firing. Only the member or a volunteer coach actively involved in the county 4-H program may protest or seek rule clarifications. If the judgment is not satisfactory to the complainant then an appeal can be carried forward.
- 43. Any appeals on rule violations or rule clarifications (failure to be knowledgeable of current year rules is not justifiable as basis for an appeal) must be presented to a member of the state grievance committee or the central office for the state shoot, no later than one hour following the decision of the range officer. Only a volunteer coach actively involved in their 4-H Shooting Sports Education group in the county 4-H program may appeal a judgment or clarification by range personnel to the state grievance committee.
- 44. Where impasses are met or rule judgments made at the ranges are appealed, a panel of four judges selected by the 4H State Shooting Sports Education Committee along with the state 4H program specialist for 4-H assigned to Shooting Sports Education will serve as members of the grievance committee. Finds of the State Shooting Sports Education Rules Committee are binding and final.
- 45. Should the total number of participants in any event where an overall high award is given fall below 10 participants at the state contest in any given year, the following year an overall high award will not be presented, unless the state committee is able to secure a donor for the award. (not funds generated through the contest and deposited in Friends of 4-H account). In any given year when participants exceed 10 participants then the next year an overall award could be purchased with funds generated by the state contest. This same policy would be in effect for existing and new events added to the contest in the future.
- 46. Any county, area, regional or state shooting contest using the 4-H name or emblem, must have prior written approval from the agent or agents involved in the county or counties of the group sponsoring the shoot. All 4-H shooting contests must abide by rules outlined by the State 4-H Shooting Sports Education Committee.
- 47. **Counties are encouraged to send 4-H members with disabilities to participate in this shoot. These members must shoot under all existing standards, and the county must determine that the members can participant in the contest without endangering themselves or others.**

TRAP

- A. Trap participants are to have their own firearm and equipment present and ready when called to the line. No passing of guns or equipment allowed on the line.
- B. Trap contest will be by the following guidelines. Each age group will divide into two separate divisions. Labeled Division I and Division II. Participants will be allowed to enter only one division within their age group and will compete for award placement only within that age group and division.
- C. Event age divisions are 9-11, 12-14, and 15-18.
- D. Age 9-11 Division 1 will fire 25 scoring shots, 5 from each station from the 16 yard line.
Age 9-11 Division 2 will fire 50 scoring shots from the 16 yard line.
Age 12-14 Division 1 will fire 50 scoring shots, from the 18 yard line.
Age 12-14 Division 2 will fire 100 scoring shots from the 18 yard line
Age 15-18 Division 1 will fire 50 scoring shots from the 20 yard line.
Age 15-18 Division 2 will fire 100 scoring shots from the 20 yard line.
One sighting target will be thrown. Each participant will then fire at one practice target which will not be entered for a score. There will then be 5 scoring shots fired from each station. Participants will then return to the gun rack, rack their guns and retrieve their next box of shells. They will get their guns and return to the station from which they originally started. There will be one sighting target thrown. The participants will then fire 5 scoring shots from each station completing the 25/50/100 scored targets.
- E. Targets must have a visible piece broken from it or reduced to dust to be scored as broken.
- F. Required Ammunition: Factory ammunition only, no reloads, no shot charge heavier than 1 1/8 ounces, no loads other than lead shot, no shot sizes larger than 7 1/2, no loader heavier than 3 dram equivalent of powder, any load with a velocity greater than 1290 FPS with a shot charge of 1 1/8 ounces, or 1325 FPS with a shot charge of 1 ounce, or 1350 FPS with a shot charge of 7/8 ounces or less. These velocities are the maximum and 1 1/8 ounces of shot is the maximum for any load.
- G. No resting of gun muzzles on toes or feet is permitted. Gun rests on muzzles or resting of muzzles on pads placed on the ground is not allowed.
- H. A shell bag, shell pouch, shell apron, shell vest or jacket is required to contain all live ammunition while on the line. No carrying boxes or similar devices to the line.
- I. Shotgun shells must be in the original containers (box) when reporting to range officers.
- J. Any participant who is not present and ready to go to the line when called by the range officer will be disqualified. Range instructions and equipment inspection will begin prior to the start of your assigned squad and before the completion of the current squad on the line. This will allow each squad to begin without delay. Participants will be assigned and scheduled to squads, however squads will not be given scheduled times other than those assigned to ranges at the beginning of the event. Each squad will begin immediately after the finish of the previous squad. It is the responsibility of each participant to know what range he/she has been assigned to and to monitor the progression of the range and be present well in advance of their assigned squad so there will be no delay.
- K. No shotgun chambered larger than 12 gauge will be allowed. Guns of smaller gauges are permissible. Placement of awards will be based on scores within each division only. No recognition different gauges within the division will occur.
- L. All guns will have the action open and contain no live or empty shells at any time, except when the participants are at their post on the firing line facing the trap just prior to their turn to shoot. Participants must remove live or empty shells before moving or leaving their post.
- M. No guns capable of chambering more than one gauge at a time will be allowed on the line. (Example chambering a 12 gauge and 20 gauge shells at the same time. Any changes or adjustments necessary to a firearm must be done on the range under the supervision of the range

officers. Firearms must be uncased in the presence of the range officials. Uncased firearms by anyone (parents, coaches or participants) in any other area are a disqualification.

N. Any participant who carries shells of more than one gauge to the line or shells of a gauge other than the firearm they are shooting will automatically be disqualified.

O. Snap caps or recoil reduction devices will allowed if they are colored safety (blaze) orange to permanently identify them as not being a live or empty round.

P. No release triggers will be allowed.

Q. Ties of individual participants will be broken with sudden death elimination as follows: Each participant in the shoot-off will shoot 1 shot from each station starting on station # 1 and rotating in order to the other stations, with 2 yard handicap from their original age group yardage. The participant that successfully breaks their target will advance to the next station in normal order, but those that miss are eliminated. If still tied upon completing the 5 station rotation, all remaining participants will move back an additional 2 yard handicap and repeat the shooting sequence until ties are broken.

Team ties will be broken as follows: the team with the highest number of consecutive broken targets by the combined total of the longest string of each individual team member will be declared the winner.

RIFLE & BB

A. Event ages for BB, .22 Rifle and Air Rifles are 9-11, 12-14 and 15-18 years old

B. .22 Sport Rifle Division

Equipment: Rifle must be capable of loading one shot at a time.

Any bolt action .22 caliber rifle allowed.

Open sights only (no micrometer or peep sights allowed).

Uncovered front post sight.

Stock adjustable for length of pull only.

No shooting jackets or vests, slings, gloves, mitts, barrel weights or similar aids allowed.

C. .22 Target Rifle Division

Equipment: Rifle must be capable of loading one shot at a time.

Any bolt action .22 caliber rifle allowed.

Any type iron sight accepted. No scopes, laser sights. Illusion dots or optics allowed.

Shooting coats, mitts, gloves, slings, etc. accepted

Adjustable or non-adjustable stocks permitted.

D. Required Ammunition for .22 Rifle:

1. Rimfire cartridge .22 short long or long rifle

2. Overall length not more than 1.1 inches

3. Hollow points, tracer incendiary or explosive NOT PERMITTED.

4. Factory load required.

E. .22 Target Rifle, .177 Air Rifle and BB will fire 10 scoring shots from each of the three positions (prone, sitting/kneeling and standing in that order) for a total of 30 scoring shots. Two sighting shots will be allowed in the prone position. These two shots will not be scored.

.22 Sport Rifle will fire 5 scoring shots from each of the three positions (prone sitting/kneeling and standing in that order) for a total of 15 scoring shots. Two sighting shots will be allowed in the prone position. These two shots will not be scored.

F. In .22 Target Rifle, .177 Air Rifle and BB each relay will be allowed a maximum of 10 minutes to complete shooting 10 rounds, including sight-in shots in prone shooting position, except for standing position which will be allowed a maximum of 15 minutes.

In .22 Sport Rifle each relay will be allowed a maximum of 5 minutes to complete shooting five rounds, including sight-in shots in prone position, except standing position, which will be allowed a

- maximum of seven minutes thirty seconds.
- G. .22 Rifle competition will be divided into two divisions. A participant may enter each event which makes them eligible for only one other event.
 - H. .22 Rifle Range will be 50ft. with a NRA A-32 target for Sport Rifle and a NRA A-17 target for Target Rifle.
 - I. A participant may only shoot a .22 caliber bolt action rifle. The gun must be rendered incapable of loading more than one shot at a time. On a tube type bolt action rifle the inner tube must be removed and the outer tube will be checked and plugged by a range officer.
 - J. Air Rifle competition will be divided into two divisions. A participant may enter each event which makes them eligible for only one other event.
 - K. Air Sport Rifle Division
 - Equipment: Any type of .177 caliber rifle allowed.
 - No shooting jackets or vests, slings, gloves, mitts, barrel weights **set triggers, thumb hole stocks, thumb rests, palm rests, heel rests, hooked butt plates, spirit levels, or similar shooting aids allowed. (An adjustable butt plate is allowed but may not be adjusted during competition and must remain fixed in place for all positions. Length of stock and height of the cheekpiece may not be altered or changed during the course of fire.**
 - L. Air Target Rifle Division
 - Equipment: Any type of .177 caliber rifle allowed.
 - Shooting coats, mitts, gloves, slings, etc. accepted.
 - M. .177 Air Rifle must be a 10 meter 33 feet range with a NRA AR 5/10 Target.
 - N. Air Rifles may be pump-up type, CO type or compressed air.
 - O. All air and pump rifles must be loaded one at a time.
 - P. Air Rifles may have peep sights or open sights (no scopes or laser sights).
 - Q. BB Rifles will be a five meter 16 feet 4 inches range with AR 4/10 Target.
 - R. BB Rifles may have peep sights or open sights (no scopes or laser sights).
 - S. BB participants can only use those guns that are single cocked, no pump guns.
 - T. In .22 Target Rifle, BB Rifle and .177 Air Rifle may be supported by a sling, in the prone, sitting/kneeling position. The sling must be in the parade position or taken off of the rifle in the standing position.

PISTOL

- A. Event ages for Air Pistol are 9-11, 12-14 and 15-18 years old. .177 Air Pistol or CO2 Pistol will fire on a 33 feet range at Target B-16.
- B. Event ages for .22 Pistol are 13-14 and 15-18 years old. .22 Pistol/.22 caliber will fire on a 33 feet range at Target B-16.
- C. .22 Pistol and Air Pistol participants will fire **3 scoring targets with five shots each**. Three sighting shots will be permitted before scoring begins. .22 Pistol and Air Pistol will be allowed a maximum of five minutes to complete five rounds. Three minutes will be allowed for three sight-in shots. Two-handed hold is permitted.
- D. Any type of .22 Pistol is allowed with a maximum barrel length of 10 inches.
- E. Required Air Pistol ammunition is flat-nosed .177 pellets.
- F. Required .22 Pistol ammunition:
 - 1. Rimfire cartridge .22 short long or long rifle
 - 2. Overall length not more than 1.1 inches
 - 3. Hollow points, tracer incendiary or explosive NOT PERMITTED
 - 4. Factory load required.
- G. Eye and Ear protection will be required at the .22 and Air Pistol ranges.

ARCHERY

- A. Event ages for Archery are 9-11, 12-14 and 15-18 years old. Official indoor NFAA (National Field Archery Association) Target 20 yard, 16 inch x 16 inch or 5 spot target shall be the official targets.
- B. When a participant selects a target, whether it be single or five spot, they shall continue to shoot that target throughout the competition.
- C. The Archery division shall consist of four separate competitive classes:
 - Bowhunter Class- Equipment allowed: stationary pins, release may be used, stabilizers cannot exceed seven inches, no scopes, illusion rings or laser sights allowed, no shafts or points larger than 11/32 inches will be permitted.
 - Target Class- Equipment allowed: micrometer (click) or adjustable sights with or without scopes (no restriction on magnification), release may be used, any stabilizer, any diameter shaft permitted, no illusion rings or lasers.
 - Compound Bare Bow Class- Equipment allowed: no release aids permitted, gloves or tabs only, no stabilizers, marked strings or bows, no sights permitted.
 - Bare Recurve/Long Bow Class- Equipment allowed: no release aids or sights permitted, gloves or tabs only, no marked strings or bows, no walking of the string permitted.
- D. Participants will shoot five arrows at three targets.
 - 9-11 age group will shoot at a distance of 10 yards & 15 yards.
 - 12-14 age group will shoot at a distance of 10 yards, 15 yards & 20 yards.
 - 15-18 age group will shoot at a distance of 15 yards, 20 yards & 25 yards
 - Two sighting shots will be permitted at the nearest distance for the age group before scoring begins.
- E. The NFAA Whistle System will be in effect for 4H contests.
 - Upon two blasts of the whistle: the participant will straddle the shooting line with the lower limb of the bow resting on the toe of the foot closest to the target. No arrows are to be removed from the quiver until one blast is made at which the participants shoot the five arrow end. After shooting, each participant will move back from the shooting line indicating they have completed that end.
 - Upon three blasts of the whistle: the participant is to move to their target but cannot remove their arrows until told to do so by an official scorer.
 - Upon four or more blasts of the whistle: there is a dangerous situation on the range and all participants are to quiver all remaining arrows immediately and step back from the shooting line. If at any time an participant sees a situation that they deem dangerous, they may yell "CEASE FIRE!" Then the range officer will give four blasts of the whistle. The participant may also raise their bow in the air to signal the range officer if they need help on the line.

BLACK POWDER RIFLE (Any Caliber)

- A. Event ages for Black Powder Rifles are 9-11, 12-14 and 15-18 years old. Five scoring shots shall be fired at 25 yard target bulls. National Muzzle Loading Rifle Association Target S-B1 or RB50-6-8 with 8, 9, 10 black will be used. The participant will be given 25 minutes for five scoring shots after the sighting period.
 - The participant will be permitted two sighting shots at the beginning of the competition only. There will be a five minute period at the beginning of the match for sighting shots ONLY. When the range officer has given this command "This is for score. You may load and commence firing." You may NOT shoot any sighting shots after you have shot for score.
- B. Range officers shall inspect and approve all black powder rifles brought to the firing line. Any firearm deemed unsafe or not in compliance with these rules shall be disqualified. The participant may participate in the event when he/she presents the range officer with an acceptable firearm.
- C. Flintlock and percussion can be used, but will compete in separate classes.
- D. Open iron sights, adjustable or fixed, shall be used on all rifles. Peep sights not permitted.
- E. Only patched round balls shall be used.

- F. No more than a maximum of 60 grains per shot shall be allowed.
- G. Only Triple 7, Pyrodex RS, Select or P; and Black Powder in ffg or fffg granulation is permitted for percussion rifles. Flintlocks may use fffg as priming powder.
- H. Scoring shots are measured from the center of the bullet's hole in all black powder events. In the event of a tie, winners will be determined by the greatest number of 10X's.
- I. All shots shall be fired from the standing position. No supports shall be used.
- J. Participants must furnish their own shooting supplies. Each participant is responsible for their own equipment including a firearm. No sharing of equipment on the line.
- K. The use of patch knives is permitted. Any participant found to be using a patch knife in an unsafe manner by a range officer will be disqualified.
- L. Each time a cap is fired a wet patch followed by a dry patch will be run through the bore. Wet patch cleaning between shots is required for safety purposes. No patch may be wet from the mouth.
- M. Powder shall not be loaded directly from a powder horn or flask into any black powder gun in either the rifle or pistol events. A powder measure must be used.
- N. All flintlock firearms must be loaded with the hammer down and the frizzen up.
- O. The practice of blowing down the barrel after a shot is not permitted.
- P. Range officers are not to instruct or coach participants on the line. Any participant who does not know how to properly load and use their firearm will be disqualified.
- Q. NMLRA rules shall be used in any situation not covered specially by 4-H Shooting Sports Education Rules.

BLACK POWDER PISTOL (Any Caliber)

- A. Event ages for Black Powder Pistol must be 13-18, with age divisions 13-14 and 15-18 years old. NMLRA Target P-2 shall be used for five scoring shots fired at 25 yards. Two sighting shots are permitted. The time limit for this event is 30 minutes from the command, "Load and commence firing."
- B. Range Officers shall inspect and approve all black powder pistols brought to the firing line. Any firearm deemed unsafe or not in compliance with these rules shall be disqualified. The participant may participate in the event when he/she presents the range officer with an acceptable firearm.
- C. Only open sights, either fixed or adjustable, are permitted.
- D. Powders permitted are Triple 7, Pyrodex RS, Select and P; and Black Powder granulations of ffg and fffg. Flintlock pistols may use fffg only as a priming powder.
- E. Only round balls can be used.
- F. Each participant is responsible for their own equipment including a firearm. All participants are required to provide their own shooting supplies. No sharing of equipment on the line.
- G. Only one chamber shall be loaded and fired on a cap 'n ball pistol. All participants are required to swab the barrel with a wet patch after each shot. No patch may be wet from the mouth. Each time a cap is fired a wet patch followed by a dry patch will be run through the bore. Loaded chamber must be covered by a Black Powder type sealant.
- H. All flintlock firearms must be loaded with the hammer down and the frizzen up.
- I. All shots are fired from the standing position. Participants may use one or both hands.
- J. Range Officers are not allowed to instruct or coach participants on the line. Any participant who does not know how to properly load and use their firearm will be disqualified.
