

Green River Area Annual Report

Our 7 county areas, Daviess, Hancock, Henderson, McLean, Ohio, Union and Webster, have been very busy this last year with many projects. Most of our monthly projects have been to help out communities, nursing homes, homeless, families to tragedies, ice storm victims, etc.. Special projects have been to support Kentucky Academy with money and school supply bags, Quilts on Barn project, 4-H, and the list could go on and on. We here at the Green River Area are very proud of all of the many **little** and **big** differences that we have made in the lives of the people in our community, surrounding areas, across the country and most of all our families.

Helping Hands	World's Greatest Baby Shower	Myrtle Weldon Fund
Literacy program	Relay for Life	Viola Hansen Fund
