

# Thailand

## Internship

2009

**8 – Week Internship is available for College of Agriculture and the School of Human Environmental Sciences students (from approximately mid-May to mid-July) in Thailand.**

**The internships are arranged through Maejo University. Internship credit is available.**

*(Scholarships may be available through the Asia Center)*

**The only cost to the student is airfare. All other expenses are covered by hosts.**

**If you are interested, contact:**
