LEXINGTON, KENTUCKY

The logo is a vibrant graphic design. At the top, the word "Kentucky" is written in a yellow, cursive font. Below it, "4-H Teen Conference" is written in a large, bold, orange font. To the left of the main text, the year "2024" is written vertically in a green font. The central part of the logo features a green four-leaf clover with white "H" letters on each leaf, positioned over a blue silhouette of the state of Kentucky. Several yellow light bulbs of various shapes and sizes are scattered around the clover and map, some with radiating lines indicating they are lit. The entire design is enclosed within a yellow rounded rectangular border.
